Trinity EMS adds to their Fleet

Over the past 20 years, Trinity E.M.S. has provided 24-hour-a-day Emergency and Non-Emergency Medical Services throughout the Merrimack Valley and Southern New Hampshire. Trinity has grown into an industry leader with over 270 employees with 75 vehicles at eight locations throughout the Greater Merrimack Valley and Southern New Hampshire. In 2010, Trinity responded to nearly 70,000 calls for service.

Trinity is committed to improving our fleet and recently added 1 new Ford Econoline Bus, 4 new Ford Econoline "high-top" chairvans and 6 new "low-top" chairvans to our fleet of 75. All the vehicles are Flexfuel vans with stability and traction control.

The Bus holds 14 ambulatory (walking or transferable patients) with no wheelchairs or 10 ambulatory with 2 wheelchairs.

The "High-tops" hold 11 ambulatory with no wheelchairs or 5 ambulatory and 3 wheelchairs.

The "Low-tops" can hold 4 ambulatory with 1 wheelchair or 2 ambulatory with 2 wheelchairs.

So what does this mean to your facility?! **Book your next "junket" with Trinity EMS.** Check out our full line of services at www.TrinityEMS.com or call our dispatch at 978-441-9999.

WE RESPOND TO YOU.
